

2010 DALLAS COUNTY MASTER GARDENER'S SCHOOL

Program Title: "Trees for North Texas Landscapes: Selecting, Planting, Diagnosing Issues, and Care" (9am-4pm)

Presented By: Sarah Brackin, ***Certified Arborist***
(*presenting with Steve Houser and Bryan White*)

About Sarah Brackin:

Sarah Brackin is an International Society of Arboriculture (ISA) Certified Arborist. Sarah graduated from Mississippi State University in 1998 with a B.S. in Forestry Management. She worked for the Alabama Forestry Commission during college, collecting data for the USDA's Forest Health Monitoring Program.

After graduating she moved to the Dallas-Fort Worth Metroplex and became a project manager for a local nonprofit organization managing its local tree farm and educating adults and children on the importance of trees and how to care for them. In 2002 Sarah began working for a DFW tree care expert firm as a consulting arborist and continues to serve and educate its customers today.

Sarah has been involved with many organizations supporting local arboricultural projects in the DFW area, such as the Trinity Blacklands Urban Forestry Council, the Cross Timbers Urban Forestry Council, and Texas Tree Trails.
